

“It’s a long way to the shop if
you haven’t got ePro”

eProcurement @ UOW

UoW – facts and figures

- Approx' 23,000 students
- 1,800 staff members (plus casuals)
- Annual spend of \$257m
- “Negotiable” spend of \$45m

Before eProcurement

- Heavily paper-based
- Manual approval process
- Faculties and divisions operating independently
- Spend intelligence with suppliers, not with UoW

After eProcurement

One system for:

- creating orders
- receipting orders
- paying orders
- making non-order payments

Advantages to UoW

- Web-based
- Online approval
- Integration with suppliers
- Record keeping
- Better reporting
- Spend information retained at UoW

Disadvantages

- Web-based
- System bugs
- Faculty/Division level security (not individual)
- Supplier integration
- Customised development
