

## Maximising your Oracle Investment

Higher Ed Services and Oracle are delighted to invite their respective clients in education and research organisations to this ONE-DAY Special Briefing Event

This event has been jointly initiated and arranged by HES and Oracle to provide advice and information on how clients can maximise their Oracle investment.

This forum will examine how to maximize your use of the Oracle Database Technology Stack, provide solutions for Real Time Infrastructure, and provide insight with Oracle Business Intelligence.

Registration is **free** and open to all Oracle client education and research organisations in Australia.

**Date:** Tuesday 26 October 2010

**Location:** Stamford Plaza Sydney Airport Hotel, Sydney, NSW. (a 5-10 minute walk from the Sydney Airport Domestic Terminal)  
*Room:* Mascot Ballroom A

**Duration:** 9.30am to 2.00pm

**Registration is NOW OPEN**

**Visit:**  
[www.hes.edu.au/oracle-briefing](http://www.hes.edu.au/oracle-briefing)

**Special Travel Offer**  
(Sponsored by Higher Ed Services)

**HES Oracle Consortium Members**

HES will reimburse the costs of a return economy airfare for one representative from each of its Oracle Consortium sublicensee organisations to attend the Briefing.

Register to attend by no later than Friday 15 October 2010. Places will be limited to 40 delegates.

A full program is available from the above website. Sessions to be covered:

- HES & the Oracle Relationship
- Maximising your use of the Oracle Database Technology Stack
- Solutions for Real Time Infrastructure, covering EXADATA – Oracle DB Machine, Golden Gate & Oracle Data Integrator
- Oracle WebLogic – Key Value Proposition For iAS Customers
- Informed Insight with Oracle Business Intelligence, covering Oracle Business Intelligence Enterprise Edition, BI Applications and Essbase.
