WELCOME

Thank you for attending the Higher Education Quality Network Conference: Assessment, Integrity, Review. We hope you find the conference informative and thought-provoking and that it provides an opportunity to hear the latest thinking and to engage with colleagues, old and new. Thank you especially to our presenters, who have been extremely generous in sharing their ideas and knowledge.

This conference would not have been possible without the support of the Program Committee – Professor Kevin Ashford-Rowe, Dr Simon Bedford, Dr Sara Booth, Dr Lesley Sefcik and Professor Kylie Readman. Thank you all so much.

This conference celebrates learning and teaching quality, and as you will see from the program, the next two days offer a rich choice of sessions across the three conference streams as well as the chance to attend a workshop on Spectrum Academic Mentoring. Please also come along to the Networking Reception on Thursday evening.

We hope you find the HEQN Conference a valuable and professionally rewarding experience.

Thank you again for attending.
